T-57

Dear Dave:

Received birthday present. Thank you. Will read it later.

I'm very sorry to hear about Juan's accident. I wish I could do something to help out — he seems like a very decent sort of fellow, to judge from what you've told me about him. Let me know how it turns out.

If it's practical for you, you might try to see to it that Juan gets proper legal help so that he gets whatever money compensation he's entitled to. He might not know that free legal aid is available to poor people.
